Re: MUR 5366; Amy Parker; Diana Harcourt; Jennifer Keylon

Dear Mr. Levine:

Pursuant to our conversation of last week, please treat this as the response submitted on behalf of my above-referenced clients in MUR 5366.

All of these individuals are employed at Turner and Associates as legal assistants, and were so employed in February and March of 2003. In February of 2003, each of these individuals contributed \$2000 to the "Edwards for President" campaign committee. Copies of the checks are enclosed for your information. While the check from Amy Parker is dated February 19, 2003, Ms. Parker believes the actual date the check was written to be February 21, 2003, the same date as the other two checks. She remembers writing her check at the same time that Ms. Harcourt and Ms. Keylon wrote their checks.

Each of these people was reimbursed for her contribution by check from Turner & Associates, PA. None was aware that this may have violated the FECA. Their actions in making the contributions and accepting reimbursement were done in complete ignorance of any prohibition of such action, and were not made knowingly.

Regarding any participation in the activities of the fundraising event itself, none of my clients solicited contributions for the Edwards campaign. Jennifer Keylon assisted at the fundraiser by greeting people, preparing name tags for them, and providing donor information cards. Amy Parker and Diana Harcourt did not participate in the fundraising event in any way, and did not attend.

If you have any further questions regarding this matter, we will be happy to respond at your convenience.

Sincerely,

Randall W. Morley
